# **RICHMOND TOWN MEETING AND ELECTION RESULTS**

## **MARCH 12, 2002**

The moderator pro- temp introduced himself as Bill Watt, and stated that the regular moderator was in Hawaii. In order to conduct an orderly meeting, the moderator stated the following basic rules he would be using: people will be invited to speak by the moderator; comments should be addressed to the moderator; no person to person arguments will be allowed; no new articles can be introduced; once articles are acted upon they will not be allowed back on the floor for reconsideration; articles on the warrant may be amended, but the amendment may not change the intent of the article; as moderator he will decide whether an amendment is valid; town residents may introduce a motion to override the moderator on any issue where his decision is thought to be arbitrary or incorrect. He then said that he would close the polls when the voting line ended or about 7:30 PM.

Brother Andre Marie of St. Benedicts gave the invocation. The flag salute was led by Michael Pearsall, Fire Chief.

### **2. The Town voted by ballot on the 2002 revision to the Richmond Zoning Ordinance as proposed by the Richmond Planning Board in accordance with the statutes of the State of New Hampshire.**

Amendment #1 The Town voted in favor of Amendment #1 as follows: To add to Article 101 the preservation of agricultural lands and buildings as a legitimate purpose of the zoning ordinance (consistent with recent statutory changes). 166 – yes; 99 – no Passed.

Amendment #2 The Town voted in favor of Amendment #2 as follows: To add to

Article 309 provision that allows steeples to exceed the current 35-foot height limitation, provided they have a fall zone equal to 1.5 times the height and that they are not accessible from any attached building. 174 – yes; 96 – no Passed.

Amendment #3 The Town voted in favor of Amendment #3 as follows: To allow houses of worship by special exception in the Residential District (Article 401.6). Article 1001.1 will also be changed if this amendment is adopted. 144 – yes; 124 – no Passed.

Amendment #4 The Town voted in favor of Amendment #4 as follows: To increase the setback of wells and septic systems from property lines from 25 feet to 37 ½ feet to prevent restrictions on a neighbor's property (applicable to both the Residential and Lake shore District). 134 – yes; 131 – no Passed.

Amendment #5 The Town voted in favor of Amendment #5 as follows: To clarify on Article 601 that the Wetlands Conservation District includes – besides areas identified on the District map – any other wetlands identified by a surveyor, a soil scientist, an engineer, the Conservation Commission or the Planning Board. (This is not a change, merely a clarification.) 135 – yes; 127 – no Passed.

Amendment #6 The Town voted against Amendment #6 as follows: To require in the Wetlands District that not only may wetlands not constitute more than 50% of the minimum lot size (current language), but in addition, uplands must be contiguous and must constitute at least 50% of the minimum lot size. 117 – yes; 144 – no Failed.

Amendment #7 The Town voted against Amendment #7 as follows: To establish an Aquifer Protection District applicable to areas identified by NH Department of Environmental Services aquifer mapping and 200 feet beyond these boundaries. The purpose of this district is to protect pollution of Richmond's major water source, and to this end uses would not be permitted that are considered to be pollution sources such as solid waste disposal, salt storage, etc., with the exception of approved uses currently in operation. With the exception of lots of record before March 12, 2002, single family homes would need 6 acres and 350 feet of road frontage, in order to reduce the concentration of septic systems; duplex, multi-family units and cluster developments would not be permitted. Agricultural uses must conform to the State's Best Management Practices; excavations and new septic systems could not be closer than 6 feet above the water table, and underground fuel storage tanks would have to be removed within 2 years of approval of this amendment. Rice Brook and any other water body that is determined to feed the aquifer must conform to the provisions of the Wetlands Conservation District, except that the boundary would be 100 feet rather than 75 feet. (If this amendment passes, Article 2 would be amended to add this as a District.) 65 – yes; 204 – no Failed.

Amendment #8 The Town voted against Amendment #8 as follows: To include variances as well as special exceptions (currently required) in Article 903.1,f as requiring site plan review by the Planning Board before approval of building permits. 120 – yes; 125 – no Failed

Amendment #9 The Town voted in favor of Article #9 as follows: To include the responsibilities of the zoning Board of Adjustment as stated in State law in the zoning ordinance so that residents will be informed. (These amendments do not change the responsibilities.) The requirements for a variance are changed from being in the public interest to not being contrary to the public interest. Appeals from administrative decisions based on interpretation of the zoning ordinance (a right of residents) is fully described (1001.4). It includes Town administrators and the Planning Board. The Zoning Board of Adjustment has the authority to grant an equitable waiver of dimensional requirement when a lot or structure is discovered to be in violation of a physical layout or dimensional requirement (1001.5). The Zoning Board of Adjustment also has the authority to charge applicants for fees when outside help is needed to evaluate applications (1001.6)  
136 – yes; 110 – no Passed.

## Tax Collector's Report – Year End 2002

The 2002 tax year was not boring – our 2001 2nd bill did not go out until February of 2002. That pushed the entire tax year off and took until August to complete the cycle (that is normally done by the first week in May).

Aside from the delay, revenue collections were good and our delinquent taxes continue the downward trend. We have set up a couple of cross indexes to help find properties where the owner, or map and lot, are not known - thanks to Dom Mondello for his efforts here. Unfortunately, we still cannot look up a property by street address (although we can sometimes do it with the fire department's list). I am hoping the new system that will be coming with our re-evaluation will solve this problem.

A reminder: if you are selling or refinancing please give your bank/agent your Account / Serial or Map and lot.

The delay in billing happened again for the second issue of 2002 (issued January 2003). In all likelihood this problem will be solved in 2003. ***Escrow account people*** should keep an eye on the escrow account amount in January 2004 – there might be 1/3 too much withheld.

**\*Pay These Amounts to School(s)**

The cost of an adequate education is determined by the Department of Education based on weighted average daily membership in residence in each school district. Each school district's percentage of total is then calculated. Each percentage is then multiplied by the Town's share of the state education tax amount to allocate a portion of the state education taxes to each school district.

The difference between the adequate education for each school district and each school district's share of the state education taxes becomes the adequate education grant for each school district.

**TOWN OF RICHMOND, NEW HAMPSHIRE  
FISCAL CALENDAR YEAR: 2002**

**PREPARED BY:** DOUGLAS A. BERSAW, Trustee of Trust Funds  
Steven Boscarino and Richard Weber Trustees

## 2002 Report of the Board of Selectmen

The year was highlighted with the many activities planned to celebrate the 250th Birthday of Richmond. The Selectmen participated in several of the events, including the Birthday Party in February, the Parade in May and a picnic at Camp Takodah.

The beginning of 2002 was spent doing the usual things to get the Warrant ready for Town Meeting. Gathering all the reports and information for the Town Report also required a lot of time. In February the Chairman of the Planning Board, Gordon Oxx, gave his resignation which we regretfully accepted. Ludger "Butch" Morin took over the position.

The Richmond Historical Committee was granted permission to go ahead with the paperwork to obtain an easement for the North corner of the Town's property next to the Veterans Hall. The Committee erected a Patriots Monument on that site that was dedicated later in the year.

The Police Department added two new part-time officers, which gave Richmond more hours of local coverage. The Crown Victoria cruiser was lettered to match the Tahoe cruiser. Replacing the three doors at the P.D. make the building more secure.

Overall, the number of building permits was down this year - only 38 were issued. Ten (10) were for new houses/modular homes; seven (7) were additions to existing homes; nineteen (19) were for barns, sheds, porches or decks; and two (2) other construction projects.

Again this year, there was a problem with the assessor getting the tax cards back to us in a timely manner. We worked on this issue, and since the town is due for total revaluation by 2004, decided to add the assessing pick-ups to the list of responsibilities that are being bid on. We expect the revaluation to start late in 2003.

In September, Art Amato submitted his resignation for health reasons. Stan Pogorzelski was appointed to fill the remainder of the year, and a person to fill the 1 year left of that term will be elected in March 2003.

The New Hampshire Municipal Association (NHMA) came to our rescue in the Bartlett court case. The NHMA paid all our legal costs to fight this case, because the final decision would have a great impact on the way Class VI roads are handled. This case was settled in the favor of the Town partly because of the involvement of the NHMA.

The town is again in very good financial shape. It is because of our fiscal responsibility and frugality through the years that we are able to have a surplus on hand. This has been used to ease the rise in taxes, by lowering the town portion by about \$2.00. The surplus will be mostly used up to pay for the state mandated property revaluation. We are fortunate that the money does not have to be raised by taxation. Thank you to all who have made this possible.

Thank you also to all the employees of the Town of Richmond and to all the many volunteers who give of their time and talents to do things for our town. Your efforts don't go unnoticed. Thank you to those who gave us advice to help us make decisions that are in the best interest of the town. Together, as a team, we do wonderful things in Richmond. We look forward to another successful year.

Richmond 250<sup>th</sup> Parade  
Marie Knowlton

On May 11, 2002 Richmond hosted it's largest parade to date, we called it the Grand Parade. The weather was completely on our side. The sun was shining and the temperature was near 60. The event began exactly at 11:00 with the new Richmond Police cruiser in the lead. Over fifty units divided into three divisions participated in the 1.5 mile course.

The parade marshal was Bob VanBrocklin who road in an antique car driven by Rosti Eismont. Several town departments participated with the Selectboard riding in a convertible donated by Keene Chrysler Plymouth, the Town Clerks office created a historical float, the Conservation Commission sponsored Smokey Bear, and the Tax Collector drove his antique car. The Richmond Fire Department presented their trucks along with those of our neighboring towns. The Monadnock Regional High School Band represented our school with over 80 students marching. We saw classic cars, antique bikes, horses, oxen and motorcycles. There were floats from Camp Takodah, Camp Wiyaka, ShirRoy, Meadowood, Blais Realty, United Methodist Church, St. Benedict Center and the Historical Society. The Richmond Rooster created a 250<sup>th</sup> birthday cake float and the Richmond Town Band regrouped for the day. We had the Shriners, Sheriff Foote, Congressman Bass and Representatives Richardson and Emerson. The Nelson Town Band and the 6<sup>th</sup> NH Civil War Unit both participated in the parade and held a special performance after the parade. Our thanks to everyone.

It was a great day and a great memory for participants, spectators and the committee who worked all year to make this a success.

## Town Report

The Richmond Police Department had a very busy year in 2002. In January we responded to an incident involving a subject that had threatened to shoot 3 other people and had taken several shots at a vehicle as it passed the residence. Police officers from Richmond and several neighboring towns as well as the New Hampshire State Police responded. After attempting to talk the suspect out of the residence, officers made their way up to the residence and entered it only to find out the subject had fled prior to our arrival. We also investigated a case involving a forgery and theft of a check for over \$2000. In February we responded to a home invasion where the occupant of a residence was beaten with several objects and fortunately escaped without serious injury. We also have investigated several thefts, burglaries and criminal mischief calls as well as several domestic disputes throughout the year.

The department logged the following hour statistics for 2002.

Patrol:	739.5 hours
Investigative:	121.5 hours
Administrative:	759.25 hours
Training:	85.75 hours
Court:	223 hours
Call Backs:	169 hours
Call Outs:	157 hours
On Call:	<u>104 hours</u>
Total Time:	2281 hours

Patrol time consists of actual time officers are out in the cruiser patrolling the roads in town. Investigative time is time an officer spends investigating crimes and accidents. Administrative time is time officer spend writing reports, doing daily logs, writing arrest warrants, arrest affidavits, criminal complaints, calls for service reports and doing follow ups. Administrative time is also time spent by the Chief or Sergeant to complete administrative functions of the department to include Selectmen's meetings or other meeting, budget preparations, reviewing and approving reports, equipment maintenance and a variety of other tasks. Training time is time that officer spent training. All officers are required to complete firearms training, defensive weapons training, or any other training that I feel is relevant and beneficial to Richmond. Sergeant LaBelle attended several terrorism trainings, while Officer Ammann and I completed crime scene training and several other trainings. Court time is time spent in court for arraignments, trials, probable cause hearings, juvenile hearings, ALS hearings and Superior Court trials. Callbacks are hours spent calling citizens back while off duty; Callouts are times when Officers are called out to handle emergency calls while off duty. "On call" hours are times that officers are off duty but must be available for recall. Officers are not required to take "on call" time but if they agree to take this it is compensated by paying them 1 hour of duty time for every four hours that they are on call. I do not get paid for being "on call", but I am responsible for the majority of the "on call" time. The total hours worked by officers on this department are 2281 hours. This includes all the above listed items.

After a long search, 2002 also brought two additional part time officers to Richmond. In May the police department welcomed James (Eric) Ammann and David Ellis. Eric is a Communication Specialist for the New Hampshire State Police and is a part time certified police officer that came from Winchester. David is a full time certified police officer in Winchester who came to work in Richmond on a part time basis but left Richmond in October. We continue to struggle to find qualified additional part time officers to fill the vacant positions.

The Town of Richmond should be proud of the quality and dedication that encompassed the employees of the Police Department and its support staff.

Remember, that crime does not start nor does it stop at the edge of town. Be aware of your surroundings and the people in it. Please report all suspicious activity no matter how small it is. This will hopefully be a deterrent to criminal activity.

**Respectfully submitted,**

**Andrew M. Wood  
Chief of Police**

Board of Selectmen  
Town of Richmond  
Town Offices  
Richmond, NH 03470

Dear Selectmen,

As you know, Monadnock Family Services is active in your community, providing quality mental health services to anyone who needs them regardless of their ability to pay. As part of this mission, we feel it is important to let you know the extent of our work, and are pleased to give you the enclosed census report which outlines services provided to residents in your town during 2001-2002. Over the past year, MFS provided services to over 6,500 adults, children and older adults, of which 38 were residents of Richmond.

Once again, MFS is asking for your financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your town. Based on figures from the 2001 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 per capita, which for the town of Richmond, amounts to \$1,375.

We ask for your continued consideration and support of our request. The cost to MFS to serve the uninsured has increased steadily with rising treatment costs and more people seeking subsidized services. The cost of serving the uninsured and under-insured residents of the Monadnock Region has averaged a half a million dollars annually for the past four years. United Way funds and town subsidies cover about a third of this significant expense. Our services to uninsured adults are further jeopardized as state regulations prohibit us from supplementing non-funded or under-funded services with state funds.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Richmond will continue. We work very hard to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population.

In addition to the census report, I have enclosed materials describing the services we provide. If you have questions, or require more information, a representative from the agency will be happy to speak with you.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow.

Thanks for your consideration.

Sincerely,

Ken Jue

## 2002 Trustees of Trust Funds Town Report

Interest rates continued to decline this year, as most people are aware. That is good if you are borrowing money but not so profitable if you are an investor. Of course one can always take risks and go for higher rates of return but our policy has always been to invest in the most pedantic but least volatile and risky places i.e. savings banks and other low risk investment pools. Most of the Town Trustee Funds were transferred into the NHPDIP (New Hampshire Public Deposit Investment Pool) when I became the Trustee three years ago. We have now seven investment accounts with them and two with Granite Bank. Two years ago we realized an overall 6.8% return on invested funds because the interest rates were very high. Last year we were down to 2.8%, but this year only about 1.5% was realized.

The Vet's Hall Furnace Fund and the Town Hall Insulation Fund have been closed out and all remaining funds transferred into the Town's General account.

We have two new members of the Trustees this year and they have both been very helpful. Thank you very much for allowing us to be of service to the town.

Dear Selectmen:

**Please support The Samaritans'**  
**2003 Municipal Campaign**

**Did you know that families in your community have been effected by suicide?**

Since 1981, The Samaritans have maintained the only completely confidential and anonymous, volunteer manned suicide prevention hotline. I continue to be amazed at the compassion of our volunteers to help the lonely, depressed and suicidal of all ages throughout New Hampshire. I am both inspired and humbled at their dedication to be there when people just need someone to talk to. Unlike other nonprofit agencies, The Samaritans do not charge any fee for the services that we provide. We must rely solely on our community's goodwill and generosity to sustain our programs.

*Today, I am asking you to join the towns of Charlestown, Harrisville, Hinsdale, Keene, Richmond, and Swanzey in their support of the work that we do.*

Accordingly, we request a modest \$250 municipal grant to help maintain our 24-hour crisis hotline program, the SamariTEEN Hotline and our Educational and Outreach Programs.

Together, we can make suicide prevention a partnership of our 29 cities and towns.

Thank you in advance for your consideration of this request. If you have any questions, about our hotline or other programs, please don't hesitate to call me on our business line at 357-5510. Additionally, if there is the opportunity for me to present this request at an appropriate Town Meeting please contact me to arrange for that presentation.

Thank you for your time and consideration.

## LIBRARY REPORT FOR 2002

During 2002 the library added 950 books, 35 videos and 19 audio books. There were 400 books withdrawn from the library collection and sold.

The following databases are now available online at the library: Ebsco Master File (includes 14 separate databases, including Health Source, ERIC, Searchasaurus, and NovellList and Jr. NoveList); H.W. Wilson; NewsBank (Union Leader and NH Sunday News); OCLC's First Search.

The library raised \$178.00 from the annual book sale.

Thanks to the services of Elaine Moriarty, the library has initiated a series of story hours for the children.

And sadly, in August of 2002, we suffered the loss of stalwart volunteer and supporter of the library with the death of our friend, Sue Mueller.

Both Dianne and the Library Trustees would like to thank the people of Richmond for their continued support of the library from the all important budget approval to the donations of time, books, subscriptions, and labor - it is all very much appreciated. Without these generous donations things would not run as smoothly as they do.

The library hours are Tuesdays 4:30-8:00, Thursdays 4:30-7:00, and Saturdays 9:00-1:00. If you haven't visited the library, please come and browse and please bring your children. Many wonderful reading experiences await both the young and old (with plentiful recommendations). We look forward to seeing you in 2003.

Re: 2003 Warrant Article

On behalf of the Camp Holiday Board of Directors, I would like to ask for a warrant article on the 2003 Budget in the amount of \$500 to support the Camp Holiday Scholarship Fund. The money appropriated by the town of Richmond is awarded to children from Richmond who attend our camp.

Camp Holiday will celebrate its 49th year of service in 2003. Each year, we provide 360 slots for children ages 4 to 13, primarily those classified with physical or emotional special needs.

Please forward this request to the appropriate member(s) of the Budget Committee. I may be reached, afternoons, at 242-3559, and will be happy to provide any further financial or operational information on Camp Holiday.

RICHMOND CONSERVATION COMMISSION  
2002 ANNUAL REPORT

The Conservation Commission held its regularly scheduled meetings, special work sessions and field reviews.

Marie Knowlton, attended the N.H. Association of Conservation Commissions annual meeting and participated in wetlands identification, function, and protection workshops.

We are grateful to Norma Rappucci, and the assistance of her husband Dan and son Joe, who constructed a float featuring "Smoky the Bear" on behalf of the Conservation Commission and participated in Richmond's 250<sup>th</sup> parade and celebration in May. The celebration was well attended by townspeople and friends.

The Commission has been fortunate to retain the services of Dick Drew our local N.H. Licensed Land Surveyor, to assist us with a comprehensive deed research of Town properties associated with the Bennett Town Forest. This is the final steps in preparation of administrating a conservation easement for the Bennett Forest, which will insure its natural grandeur in perpetuity. We anticipate this important process to be complete early in 2003.

The Conservation Commission meets the first Thursday of every month, unless otherwise posted, at the Civil Defense Building at 7:00 p.m.

**REQUEST FOR FUNDING PROPOSAL**  
**TO THE**  
**TOWN OF RICHMOND, NEW HAMPSHIRE**

**AGENCY NAME:** The Community Kitchen, Inc.

**DATE:** October 15, 2002

**1. Briefly describe the role of the agency:**

The Community Kitchen, Inc., is a not-for-profit, direct service agency which provides hot meals, take home boxes containing food and personal care items, information and advocacy to low and moderate income men, women and families with children in the Cheshire County, NH area. Since its founding in 1983, the Kitchen has served and/or distributed over 5.25 million meals to people in need.

**2. Identify the services that Town funding will provide:**

The Pantry Box Program operates out of a space in our building on Mechanic Street. Each box provides approximately three days' worth of meals for each family member. Computerized and handwritten records are kept of family names, number of people, street addresses, dates of receiving each box, income and age. Each family or individual coming in for the first time must fill out a form required by the USDA, and provide back-up documentation for all of the above information. Many referrals have been made to this program from Town and City Welfare offices, school nurses and other agencies. Almost 80% of the food for this program is donated, and over 1,000 volunteer hours each month are donated by community members to ensure the success of the program. Take-home boxes of food are available on Wednesdays from 12:30 pm to 5:30 pm and on Thursdays from 11:00 am to 4:00 pm, or by special arrangement.

Hot meals are served Monday through Friday from 5:00 to 6:30 pm at our Mechanic Street location. Meals are prepared by a volunteer staff under the supervision of the Hot Meals Coordinator. Menus are planned after donated food is picked up at bakeries, delicatessens, supermarkets and restaurants. Meals consist of two or more entrees, salads, vegetables, fruit, bread, soup, desserts and beverages, and are served by volunteers. Guests/participants make up over 35% of our volunteer crew and help primarily with set-up and clean-up. We are not requesting any funding from your town for our Hot Meal program, but thought you might want to know about it.

3.    **a) Number of clients served 01/01/02 to 09/30/02 at the Pantry:**  
      # Unduplicated individuals: 4,239  
      # Unduplicated households: 1,645

Please note that the numbers provided on this page are actual numbers for January through September only.

Traditionally, The Community Kitchen experiences a tremendous increase in both the number of families served and the number of meals distributed in November and December, due to Thanksgiving and Christmas holidays, cold weather and fuel bills. It is anticipated that at the end of the year over 28,000 pantry boxes will have been distributed in total.

The amount of reimbursement we have requested is based on the actual number for the first three quarters of the year and an estimate of the fourth quarter added together.

TOWN CLERK'S REPORT  
DECEMBER 31, 2002

Revenue collected in the Town Clerk's office (\$156,149) plateaued at just a little over the amount collected last year. The \$3,600 increase is the smallest increase we have had over the years.

The vendor for our vehicle registration program went to a Windows based set-up this year, so we have just had new software installed. We will be working both programs for a while until "bugs" are worked out. Thank you in advance for your patience with us during this transition.

The State continues to work towards on-line transactions for motor vehicles and vital records. Now that we have Internet access, we should be ready when the time comes.

This year we were also fortunate enough to have all of our records professionally assessed at no charge. From the results and recommendations of this assessment we have taken the initial step of placing all of our birth, death, and marriage certificates into mylar sleeves, acid-free binders and acid-free slipcases. We will continue to implement the suggested improvements over the next few years. This will all help to insure that our irreplaceable records will stand the test of time.

## WINCHESTER SOLID WASTE MANAGEMENT DISTRICT REPORT

The new contract with Waste Management of New Hampshire began its first year of a three-year agreement and brought with it a significant increase in our operating budget. Payment for services require the district to pay WM \$216,000 for the first year. In no event shall an increase in the second year exceed 10% of the payment in first year or in the third year of the agreement exceed 8% of the payment in the second year. The negotiations for the second year of the contract began in June of this year and I'm happy to report there is no increase.

The Select Boards of Winchester and Richmond have decided to step forward with a Pay As You Throw (PAYT – pay per bag) program. This would require that any municipal solid waste (household rubbish) is to be placed in special Town bags or it will not be accepted at the facility. Details of where to purchase and prices for the bags have not been finalized at this time. There will be plenty of advanced notice to you the public before this takes place. PAYT is similar to a user fee or a utility charge where the more you use it the more you pay. It also promotes stronger recycling and we need improvement in this area. Also, the program should reduce the amount of rubbish we generate, which in turn has a direct correlation with our operating budget. Revenues derived from implementation of this system would go directly to reduce the operating budget and not go into the General Fund, ultimately lowering the tax rate. This would be pending warrant article approval by the public.

In a joint effort between Waste Management and the Salvation Army we now accept used clothing. Items must be in plastic bags and given to the attendant.

Surface water, ground water and methane gas testing have all remained very good, showing steady improvements in the capped landfill. In applying for our new ground water management permit, the monitoring results have lead to less stringent testing requirements for the next five (5) years.

The Land Fill Stickers that allow entrance to the facility are due October 1<sup>st</sup> of every year and must be attached to your vehicle and plainly visible. For households that have more than one vehicle after the initial \$10.00 fee any additional stickers are available for \$1.00 each.

REMEMBER, recycling is mandatory per town ordinance.

2002 has slipped by rapidly with Ruth and Norma attending the second half of the Dartmouth sponsored workshop at the Historical Society of Cheshire County. We had a full day visit from Professional archivist Melissa Mannon going through the archives at the end of May. Melissa spent the second day writing her thirty page report which gave us many helpful suggestions and much detail on where we can find help and information. One suggestion which we have taken seriously and acted upon was to obtain hygrometers for measuring the temperature and relative humidity, in each room. This provides us with knowledge of the status of the of the atmosphere changes which are critical for the collections. A record is being kept of these changes over days and weeks. Thanks to Lewis Whittum we also have a record of minute changes over a week period made on a graph recording hygrometer. This information will be used in evaluating the needs for conservation of all of the material in the archives.

A record is being kept of inquiries by phone, mail, visits, and word of mouth requests. Approximately sixty-three inquiries have been made from April 1 to December 15. Correspondence from a distance has been brisk.

In addition Ruth and Norma have worked Friday mornings weekly on collections in the Archives, and attended workshops pertinent to preservation and conservation. Monthly articles in the Richmond Rooster provide a little history, public contact to let the public know we are alive and available. On Labor Day, we had a display from the archives at the Civil Defense center, which had fewer people attending than in past years.

A number of donations of funds and memorabilia, have been donated this year for which we are grateful to all.

The archives budget was submitted to the Library Trustees and approved and we hope that the budget will be approved at Town Meeting.

We appreciate all of the public input and welcome suggestions, ideas, and donated time. The archives is an ever growing part of our community because history is made every day. For information or a visit please call 239-4598.

## Fire Department Report

Your volunteers are grateful for another year without a major loss due to fire. Our largest incident was a brush fire at the FAA facility off Taylor Hill Rd, which required four days of our attention. Happily, there was no injury or loss of property, only sore backs and a broken axle!

This year, in addition to our usual maintenance of building and equipment, we have added a brush truck made from a 1 ton flat bed bought with \$3500 raised by the Fire Company.

We also decided to refurbish our tank truck. That truck was built in 1987 by the volunteers on a 1956 Mack chassis bought from Arthur Whitcomb Co. This year we replaced that chassis with a 1984 Mack. This is still a work - in - progress, requiring countless man hours by our members, but when finished will have cost taxpayers less than \$20,000, far less than the cost of a new one. I fully expect to get another 15 years of service out of it.

In 2003 we are asking the Town to replace our first response engine, a 1970 GMC pumper. It has been in service for over 30 years, and is now having brake and suspension problems. The pump was rebuilt about 15 years ago, and now needs attention, and even though garaged and washed, the rust is catching up with it. Due to the Town's foresight in 1995, we have been saving for this and similar purchases, so no borrowing will be required.

In closing, I would like to personally thank all of the members for their time in maintenance work, training and, of course, emergency response. Richmond is one of the few towns in the area with a truly volunteer fire department, one whose members draw no pay at all. We are very proud of this status, and ask that anyone with any interest in fire, rescue, or medical work to join us. Just contact any of our members.

Michael Pearsall  
Chief

## Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, plus suppression cost.

A new law effective January 1, 2003 prohibits residential trash burning (RSA 125-N). Contact New Hampshire Department of Environmental Services at (800) 498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at [www.nhdf.l.org](http://www.nhdf.l.org) or 271-2217 for wildland fire safety information.

Our thanks to the townspeople for the funds to purchase the new tires for the Rescue truck. Not only does it make for a safer ride, but also a much smoother one!

Remember, if you're reporting an emergency, dial 9-1-1 and describe the emergency and what is being done. Give your name, phone number you are calling from, location and the number of persons involved. DO NOT hang up, more information may be needed.

Thank-you to the Town and the family members of our volunteers for your continuing support.

On august 19th, orange road cones were stolen from the work area on Fish Hatchery Road, where stumps were removed by the power lines. Orange road cones are very important or should be to the motoring public. They are used for many different reasons. When you see an orange cone on the roadside it is a warning that something is **"a- mis", slow down, be aware**, something is not the way it usually has been. To the ones that stole the cones, you must realize that by taking those cones could result in injury to the people who use the road.

## **RICHMOND 250 COMMISSION**

**1752** TOWN OF RICHMOND, NEW HAMPSHIRE 03470 **2002**

The Richmond 250 Commission would like to thank all those who participated in the celebration of our two hundred and fifty years as a municipality. The Commission itself sponsored three events, and other organizations three more.

In February, we began with a Birthday Party at the Veterans Hall. A cake, balloons, music and the sharing of stories were on the program. Those honored Dot Robbins, our oldest resident, Edith Atkins, Librarian for many years, and Bob Van Brocklin for more than fifty years service with the police and Fire Departments. The attendance was over one hundred and a good time was had by all.

In May, the 250 Parade made its way from Camp Takodah to Camp Shir-Roy with three bands and over fifty parade units. At least a thousand people marched in the parade or watched it. We were all amazed by the size of the parade, and much credit goes to Marie Knowlton, who coordinated it.

In June, Camp Takodah hosted the Town Picnic on the waterfront. Over fifty residents enjoyed food, games, visiting and some fiddling good music.

In September, the firemen put on their usual good  
good Barbeque and Richmond 250 balloons were available for all  
the kids.

Special mention must be made of the work done by  
the Richmond Historical Society in establishing the Patriot's  
Park adjacent to the Veteran's Hall. It is a lasting monument  
growing out of this 250th year.

Finally, in October, the Richmond Quilters offered  
their first Quilt Show, which was a great success.  
The commission had hoped to repair and protect the old Telephone  
Building. We found that more work was needed than we thought,  
and so it has been cleaned and sealed to prevent further  
deterioration.

We would like to thank the Town for the privilege  
of leading this celebration, and are pleased with what we  
were able to accomplish.

## Planning Board Report

We had a few minor 2 lot subdivisions in 2002. The Board has been working on updating  
the Master Plan and the site plan review regulations. There were no changes proposed to  
the zoning ordinance this year. There was an Aquifer Protection Zone proposed in 2002,  
but was defeated by the voters. The Planning Board should revisit the Aquifer Protection  
District to plan for a future water source when Richmond will need a Town water supply.  
That's what the Planning Board is supposed to do, plan for the future.

Respectfully submitted,  
Ludger "Butch" Morin  
Chairman Richmond Planning Board
